requested information at the time of such request. For clarity, it is anticipated in the near term that the Trustee will only possess certain digital records applicable to such Federal Leases.

7. For the avoidance of doubt and with respect to any leases, wells, facilities or pipelines that have been abandoned by the Trustee, predecessors in interest, co-owners or co-lessees do not need to obtain consent or authorization of the Trustee to comply with laws and regulatory Orders (with respect those abandoned leases, wells, facilities and pipelines).

8. The Parties reserve all their respective rights and claims not otherwise fully and specifically addressed in this Order.

9. The Parties are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order.

10. Any stay of this Order, whether arising from Rules 6004 and/or 6006 of the Federal Rules of Bankruptcy Procedure or otherwise, is hereby expressly waived and the terms and conditions of this Order shall be effective and enforceable immediately upon its entry.

11. This Order is a final order within the meaning of 28 U.S.C. § 158(a), however, this Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.
